5. APPROVED RESEARCH PROJECTS

2022-2025	Research grant 32003B_204751/1 from the Swiss National Science Foundation (“Optimization of symptom-based patient-reported outcome instruments in adults with eosinophilic esophagitis”, principal investigator).
2019-2021	Research grant 33CS30_177523/1 from the Swiss National Science Foundation (Swiss Inflammatory Bowel Disease Cohort Study, SIBDCS) (Co-applicant, lead Swiss Eosinophilic Esophagitic Cohort Study).
2016-2018	Research grant 33CS30_148422/2 from the Swiss National Science Foundation (Swiss Inflammatory Bowel Disease Cohort Study, SIBDCS) (Co-applicant, lead Swiss Eosinophilic Esophagitic Cohort Study).
2015-2018	Research grant 32003B_160115/1 from the Swiss National Science Foundation (“Defining clinically meaningful therapeutic endpoints in Eosinophilic Esophagitis, principal investigator).
2015	Research grant from TIGERS (The International Gastrointestinal Eosinophil Researchers) (“Development and validation of a pediatric Eosinophilic Esophagitis Activity Index: a Prospective Multicenter Study”) (Principal investigator).
2014-2016	Research grant 33CS30_148422/1 from the Swiss National Science Foundation (Swiss Inflammatory Bowel Disease Cohort Study, SIBDCS) (Co-applicant, lead Swiss Eosinophilic Esophagitis Cohort Study).
2011-2014	Research grant 32003B_135665/1 from the Swiss National Science Foundation (“Development, validation and evaluation of an adult and pediatric Eosinophilic Esophagitis Activity Index: a Prospective Multicenter Study”, principal investigator).
2010-2012	Research grant from TIGERS (The International Gastrointestinal Eosinophil Researchers) (“Development, validation and evaluation of an adult and pediatric Eosinophilic Esophagitis Activity Index: a Prospective Multicenter Study”) (Principal investigator).

6. SUPERVISION OF JUNIOR RESEARCHERS

MD thesis supervision completed: Gunther Kaindl, Aqtashi Baktash, Sébastien Godat, Lukas Balsiger, Hugo Maye, Sarah Henchoz

MD thesis supervision ongoing: Nurullah Aslan, Karim Abdelrahman, Camilla Schuermann

MD master supervision completed: Tanja Kuchen, Bénédicte Giriens, Audrey Simko (faculty award Unil), Amaelle Denys, Toni Trosic-Ivanisevic, Camilla Schuermann, Aurélia Pick, Marie-Louise Goertler, Elisa Corne

MD master supervision ongoing: Cécile Olsommer.

7. TEACHING ACTIVITIES

Since 2005, courses for 2nd and 3rd year medical students at UNIL, teaching during gastroenterology fellowship program

8. MEMBERSHIPS IN PANELS, BOARDS, AND SCIENTIFIC REVIEWING

Memberships: Swiss IBD Cohort Study (member of the scientific board and executive committee), Swiss IBDnet (member of executive board), Swiss EoE Cohort study (principal investigator). Committee member of the 2nd and 3rd international guidelines on Eosinophilic Esophagitis.

Scientific reviewing: regular reviewing for about 15 journals (among others Gastroenterology, American Journal of Gastroenterology, Clin Gastroenterol Hepatol, Journal of Crohn’s and Colitis, Inflammatory bowel diseases, Allergy).

9. ACTIVE MEMBERSHIPS IN SCIENTIFIC SOCIETIES, FELLOWSHIPS IN RENOWNED ACADEMIES

Swiss Gastroenterological Association (SGGSSG), Swiss Association of General and Internal Medicine (SGAIM), Swiss Association of Crohn’s disease and Ulcerative Colitis patients (SMCCV), European Crohn and Colitis Organization (ECCO), Swiss Eosinophilic Esophagitis Study Group (founding member), American Gastroenterological Association (AGA), European association for studies in eosinophilic esophagitis (EUREOS, past president), IBD-DACH (president 2022 and 2023), SNEGID (Swiss Network for Eosinophilic Gastrointestinal Diseases, founder and president), TIGERS (The International Gastrointestinal Eosinophil ResearcherS).

10. ORGANISATION OF CONFERENCES

Organizer of the annual conferences "journée d'automne", "actualités en gastroentérologie", IBD patient evening, and EoE patient evening at CHUV. Co-organizer of the international FALK symposium on eosinophilic esophagitis in 2013 and 2017. Co-organizer of OESO world congress on esophageal diseases in Geneva, 2017.

11. PRIZES, AWARDS, FELLOWSHIPS

Pfizer Global award for the FACES project (2021), Swiss Allergy prize 2016, honorary prize of Swiss society of Gastroenterology (SGG) 2014, research promotion prize 2010 (SGG), Junior IBD prize (SGG) 2007, award for best thesis at University of Basel (1999).
